OTICE.

WE offer these
few sugges-
tions in various
styles of decorative ornament
in the hope that some of
them may be of occasional
service to the trade.

It will at all times be a
pleasure to us to introduce
to our customers the artists
of this work or others
capable of carrying out
similar designs, or of supply-
ing working drawings and
stencils.

There is no kind of restric-
tion as to the use or applica-
tion of any design herein to
decorative painting.
